PROFESSIONAL SUMMARY

Motivated undergraduate Computer Science student with interest in programming, system development, and project documentation. Skilled in basic Python, C/C++, web design, teamwork, and problem-solving. Able to learn new tools quickly and apply technical knowledge to academic and real-world projects. Seeking an opportunity to gain practical experience and contribute to a professional organization.

EDUCATION

Bachelor's Degree in Computer Science - Westcliff University

Expected Graduation: 20XX

Relevant Coursework: Programming Fundamentals, Python Programming, Database Systems, Systems Analysis and Design, Cloud Computing, Statistics

TECHNICAL SKILLS

Programming: Python, C, C++

Database: MySQL, basic database design

Web: HTML, CSS, JavaScript

Tools: VS Code, Jupyter Notebook, Draw.io, Canva, MS Office

Other: Documentation, presentation, teamwork, problem-solving

PROJECTS

AI Interview Question Generator

Python Desktop Application

- Developed a Python-based application idea that generates interview questions from resumes and job descriptions.
- Helped identify system objectives, user requirements, and interview simulation workflow.
- Prepared project documentation and organized features for a clear user experience.

Online Food Delivery System

Web-Based System Design Project

- Designed a food delivery system with customer, restaurant owner, delivery rider, and admin roles.
- Created DFD, ER, UML, and deployment diagrams to explain system structure and data flow.
- Planned login, menu management, cart, order processing, delivery tracking, and feedback features.

EXPERIENCE

Student Project Team Member - Westcliff University

2025 - Present

- Collaborated with classmates to complete academic and technical projects.
- Prepared reports, presentations, system diagrams, and project documentation.
- Improved communication, planning, and problem-solving skills through group assignments.

SOFT SKILLS

Teamwork | Communication | Time Management | Problem Solving | Adaptability | Critical Thinking | Presentation Skills
